POSITION: ERP Business Solution Team Lead

LOCATION: State Purchasing Division
200 Piedmont Avenue, SE
13th Floor West Tower
Atlanta, GA 30334

APPLICATION DEADLINE: Open Until Filled

WHO MAY APPLY: All Applicants

PAY GRADE: 19

PAY GRADE SALARY RANGE: \$4,221.08 - \$7,373.62

GENERAL DESCRIPTION: Join the State of Georgia to lead us through an enterprise wide e-procurement transformation utilizing a PeopleSoft platform to adopt best practices in procurement.

The ERP Business Solution Team Lead provides functional and technical expertise and direction for the development of complex enterprise-wide ERP business information support systems solutions. This position works on multiple projects as a project team leader or sometimes as a business subject matter expert (SME) in multiple ERP functions. Additionally, this position is responsible for leading the design and support of ERP business information applications and architecture. Oversees the identification of ERP functional application opportunities that impact entity business strategy and performance. Assesses the need for customer training on application/product usage. Oversees the customer support function and assigns team members to appropriate projects to ensure customer production support.

Required Knowledge, Skills, and Abilities

- Strong oral, written communication, and presentation skills
- Ability to communicate with both technical and non-technical staff
- Strong interpersonal skills
- Demonstrated ability to effectively work with internal and external stakeholders
- Demonstrated project management skills
- Strong decision making skills
- Expert knowledge of application technology
- Ability to deliver executive briefings and articulate solutions and proposals in a relevant business context
- Ability to manage complex integration projects
- Good knowledge of state-of-the-art business and system modeling techniques
- Ability to leverage web technologies (e.g. webcasts, webinars)
- Ability to interface with customers to gather project

- requirements and perform due diligence, as necessary
- Demonstrated ability to gain consensus across various customer groups for recommended solutions

MINIMUM QUALIFICATIONS: Completion of a Bachelor's degree in Business Administration or a related field from an accredited college or university.

AND

Four (4) years of ERP experience which included customer service support, ERP deployment, and application maintenance related to one or more of the following functional areas:

- e-Procurement
- Contract Management
- Supply Chain Management
- Finance

OR

Eight (8) years of ERP experience which included customer service support, ERP deployment, and application maintenance related to one or more of the following functional areas:

- e-Procurement
- Contract Management
- Supply Chain Management
- Finance

PREFERRED QUALIFICATIONS: Preference will be given to those applicants who, in addition to meeting the minimum qualifications, also possess one or more of the following:

- Experience with PeopleSoft Financials V8.x
- Public Sector experience (i.e. state and local government)
- Experience in one or more of the following PeopleSoft Modules:
 - eProcurement including requisition workflow and configuration
 - Strategic Sourcing
 - Supplier Contract Management
 - Catalog Management
 - eSupplier connection
